

Testimonials

My daughter loves coming to Nursery. I feel that she is happy and safe in her environment. All staff are extremely friendly and approachable.

Daily feedback is thorough and staff are always happy showing great role models for the children. Security is really tight. We love the friendly, family atmosphere of The Honey Pot from the first day my daughter came to you.

My son loves Nursery and all the staff are lovely and pleasant and makes us feel at ease leaving him with them.

We chose to send our children to The Honey Pot Day Nursery because it has a lovely 'home from home' feel to it, unlike some of the bigger nurseries which felt institutionalised. Staff are always warm and friendly and our children have all been very happy here.

Whenever I leave my son, I feel that I am leaving him in very capable hands. He enjoys his time at the Honey Pot and can't wait to get in each morning he attends. I feel he gets the attention he needs too at his age. He has come on so much since coming to The Honey Pot Day Nursery. Thank you.

The outdoor grounds are fabulous. My son loves learning about the environment and he thinks the bug village is amazing. He has learnt so much in such a short time at The Honey Pot .
